G-VI-A-018
134 North Second Street
Garrett County

Preparer: Gabrielle M. Lanier
Date Prepared: March 27, 1997

The only changes that have been made to to the exterior of this building since the 1975 survey appear to be the addition of one-over-one double-hung aluminum storm windows throughout. In addition, an open-sided pyramidal-roofed frame outbuilding now stands on the northeast side of the house. There are no other visible outbuildings. The main building, which is still used as a dwelling, is currently occupied and remains in excellent condition.
