126 North Second Street  
Garrett County

Preparer: Gabrielle M. Lanier  
Date Prepared: March 27, 1997

Other than the addition of one-over-one double-hung aluminum storm windows throughout, no major changes have been made to the exterior of this building since the 1975 survey. A one-story gable-roofed one-car frame garage stands on the northeast side of the house lot. The garage is topped by a standing seam metal roof and accessed by a single large overhead garage door. The house, which is still used as a dwelling, is currently occupied and remains in excellent condition.

DESCRIBE THE PRESENT AND ORIGINAL (if known) PHYSICAL APPEARANCE	
<p>126 North Second Street stands on the west side of the street, in the block formed by Pennington and Crook Streets, in Oakland, Garrett County.</p> <p>The house is a Colonial Revival brick structure of two and a half stories with a high pitch slate covered gable roof. A consoled cornice circles the house and a one story frame porch stretches across the front (east side) and part way along the north side. The principle facade (east side) has a two story bay window to the south of the center doorway and a group of three windows to the north. The second story has a circular window above the doorway and a palladian to the north. Two large dormers with gable roofs and palladian windows pierce the roof on the front.</p> <p>The house is structurally sound and the exterior appears to be basically unaltered since construction.</p>
