Justification for decision: (Use continuation sheet if necessary and attach map)

Based on the available information, 1954 Pleasantville Road, located in the crossroads community of Pleasantville, does not meet the National Register criteria for individual listing. The plain, two story, frame house does not exhibit any architectural distinction and is difficult to date. It may date to the early twentieth and appears to have had a series of additions and some later alterations. The house does not appear to have any architectural significance. It is not known to have been associated with any significant person or event. It is located in the crossroads community of Pleasantville. Pleasantville would not meet National Register criteria for listing as a district as it lacks historic character.

Documentation on the property/district is presented in: Project File
