STATEMENT OF SIGNIFICANCE (Include Personages, Dates, Events, Etc.)

The house is given little thought as far as appearances are concerned, with the owner farming several hundred acres alone.

Worth investigation - is the log section basically sound - with a cooking fireplace?

The situation is very beautiful. Black and white photos show the view to the west up Broad Creek <sup>including</sup> the Webster's mother's place HA 473, 485 & 6.
