STATEMENT OF SIGNIFICANCE (Include Personages, Dates, Events, Etc.)

One part of a long many-sectioned building. This two-story log house was apparently in use within the last ten years, but is now a machine shed for the former-owner whose farm help, if available, wouldn't live in so simple a house without expensive restoration.

However, restoration may be possible here, since there ~~is~~ <sup>might</sup> be no basic damage to the logs, only to the clapboard, floors, roof and windows.
