DESCRIBE THE PRESENT AND ORIGINAL (if known) PHYSICAL APPEARANCE

This two-story building is a facade for four or five older structures pulled together along a concrete porch with five entrances to stores and ^{to} shops upstairs to an old movie house.

~~Built cheaply at the time the Conowingo Dam was erected from 1924 to 27, it has been a durable failure for decades, defacing the old country store, bakery, and house it encloses. The stores are~~
~~factures, the walls cracked ~~and~~ ^{with} both exposed, and cheap apartments are exposed to the street except for plastic lace curtains in the windows.~~

STATEMENT OF SIGNIFICANCE (Include Personages, Dates, Events, Etc.)

Built cheaply at the time the Conaduro Dam was built from 1924-27, the exposure has been a durable failure for decades. Behind it are the neglected structures of the country store, the bakery and the house that were swallowed up in this one enclosure.

This one building and the garage across the street from it are responsible for the shabby appearance and awkward waste spaces of this once-charming village.
