Entrance to the property is located by way of a dirt road, leading back to the ruin and located on the South side of Frederick Road, Route 99, four tenths of a mile East of Marriottsville Road.

Little remains of the small, rectangular, two story high, gabled roof (running East-West) slate stone house, resting on a stone foundation, with wide, exterior, slate stone chimney on its east elevation, which originally stood here.

The ruin is completely gutted, with no roof as a cover and its North, South and West walls crumbling.
