INDIVIDUAL PROPERTY/DISTRICT
MARYLAND HISTORICAL TRUST
INTERNAL NR-ELIGIBILITY REVIEW FORM

Property/District Name: Loudon Avenue Culvert Survey Number: HO-783

Project: SHA easement to allow replacement of Culvert Agency: SHA

Site visit by MHT Staff: no yes Name _____ Date _____

Eligibility recommended Eligibility not recommended

Criteria: A B C D Considerations: A B C D E F G None

Justification for decision: (Use continuation sheet if necessary and attach map)

The 12 foot by 12 foot concrete culvert carrying Loudon Avenue over an unnamed tributary of Shallow Run does not appear to meet the National Register Criteria for individual listing or for district nomination. According to information prepared by SHA, the culvert has no engineering or historical significance. Numerous other examples of this common and very simple type structure remain throughout the state. It is not located in any known district.

Documentation on the property/district is presented in: Project file
