Justification for decision: (Use continuation sheet if necessary and attach map)

Based on available information the structure at 4991 Piney Neck Road, southwest of Rock Hall Maryland is not located within the boundaries of a state listed historic district and does not meet the criteria for individual listing on the Maryland Register.

The structure was constructed in ca. 1900. It is a two-story, two bay frame house, with a side porch covered with a shed roof. There is a one-story addition on the rear with a shed roof. There is a central chimney, and the roof is covered with asphalt shingles. The house appears to have wooden siding, which has been covered with asphalt shingles. The windows are replacement aluminum one over one lights.

This house is not known to have any associations with persons or events significant to our past and is thus not eligible under Criteria B or A. It lacks the architectural distinctiveness to qualify it for listing under Criterion C.

Documentation on the property/district is presented in: Review & Compliance Files
