Criteria: A B C D Considerations: A B C D E F G None

Justification for decision: (Use continuation sheet if necessary and attach map)

The single-family dwelling at 6417 Rock Hall Road near Edesville, Kent County, MD is not located in a National Register-listed or eligible historic district, nor does it qualify for individual listing.

The dwelling is one-story, three-bay frame dwelling covered with a low-lying gable roof. The house is set upon a slightly raised foundation (probably piers, but not visible in photo) and is clad with asbestos shingles. The facade is divided into three bays with a central entry (replacement door) flanked by pairs of 2/2 sash. A hipped porch roof with exposed rafters extends across the facade and is supported by two-by-four, make-shift posts.

The house is a modest-scale structure from the first quarter of the 20th century. It is in deteriorating condition and, though it represents modest-income rural housing from the period, lacks the architectural distinctiveness and integrity to qualify for listing under Criterion C. No research has been conducted on the property, but it is not known to have been the site of any important events or associated with any important persons in our past.

Documentation on the property/district is presented in: Review and Compliance Files.
