DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

This is a fairly large farmhouse, untypical of most in the area. There is no porch at all on the main (south) three-bay part, and the roof does not overhang at all-but is flush with the exterior surface of the eaves and gable-ends. There is a central doorway, but no center gable, and no decorative features are evident. The sheathing is presently covered with asbestos siding.
