DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

There are several two-story, frame houses located along Rte. 109 and back in the heavily-wooded area of poor soil that runs through the "Big Woods" Negro community. The old school does not appear to be standing anymore, but it was a one-story frame structure. The old Mt. Zion Church has been remodeled within the past couple of years, so that it now is covered with a brick veneer.

STATEMENT OF SIGNIFICANCE

This area seems to be one of the oldest Negro communities in the County. A Reverend Awkard was living here during 1865, and several other families settled here after that period. By the late-19th Century, they had their own chool and church; the latter of which remains today.
