Description:

The William Bishop Property is a 2-story, 2-bay I-house on the east side of Batson Road in the Spencerville vicinity, Montgomery County. According to tax records the building was constructed circa 1880. It is rectangular in plan with an enclosed wrap-around porch on the front and west elevations.

The structure has a side-gable roof, with asphalt shingles and an interior brick chimney located at each end. It is of wood frame construction with wide wood siding, and it has a stuccoed foundation. The windows are double-hung vinyl sash. The house has a 1-story, hipped roof porch on the front, or west, elevation. The porch is enclosed with a concrete closed railing and wide wood siding from the railing to the roof. A wood and panel door is centered in the porch with a fixed sash window on the north side of the entrance. There is an awning window and double-hung window on the south side of the entrance.

There is one outbuilding associated with this property. The outbuilding is a garage, with a gable roof covered with asphalt shingles. Constructed circa 1900, it is of wood frame construction. The structure is located east of the northeast corner of the house.

The property is located on the east side of Batson Road, with residential property on all sides. There are few trees on the property and the grade slopes down to the south, east and west. The residential development surrounding the property dates to a later time period.
