DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

This is an old farmhouse that was not actually visited at the time of this survey. However, it appears to be a five-bay, two-story frame structure that faces east. There is a central door with transom, and a center gable with returned cornice. There is an open porch across the front, windows are 6/6, and there are stove chimneys at each end of the house.

Nearby are several older frame barns, etc.
