**DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE**

There are no old buildings visible here today, but there was once a warehouse at this location during the 19th Century. The canal is abandoned here, and there is no water in it.

The spot is one of great natural beauty and Van Deventer Island can be seen on the Virginia side of the Potomac River.

SPECIFIC DATES

BUILDER/ARCHITECT

STATEMENT OF SIGNIFICANCE

Illustrates the importance of the C & O Canal's arrival to this spot, as it solved many of the problems of local farmers in getting their crops to market.

Especially significant today, as it is a quiet nature preserve and wildlife management area.
