Richard Thompson House
23420 Slidell Road
Boyd

19th Century

This two-story frame house was covered in asbestos siding in 1974 when it was surveyed. It had an L-plan, with the leg of the L projecting forward from the right side of the house. The main block had a central entrance flanked by 2/2 sash windows. The second floor contained two windows, above the two on the first floor, with 6/3 sash. This facade bore a one-story shed roofed porch on turned posts. The projecting L had return cornices, and was two bays wide. The first floor held two 2/2 sash windows, and the second floor held one 2/2 sash window in the gable. The house was surrounded by a white picket fence.

Richard Thompson once kept a store in the house. The shelves for the store were still in place in one room of the forward-facing L.

The current condition of the property is unknown, but it was removed from the Montgomery County Master Plan in 1982.
