Eligibility recommended Eligibility not recommended

Criteria: A B C D Considerations: A B C D E F G None

Justification for decision: (Use continuation sheet if necessary and attach map)

The house at 11710 Game Preserve Road is neither eligible for the National Register of Historic Places individually or as part of a district. The frame cottage probably dates from the mid 20th century when it would have been an undistinguished example of a very common, best suburban house type. It has since been much altered and is nearly engulfed by enclosed porches. The house is not located in any known historic district.

Documentation on the property/district is presented in: Project files
