BAY WINDOWS: -
SIDE BY SIDES: -
GABLE TYPES: -

ENTRANCES:

LOCATION: center
DESCRIPTION: -

THREAT: none

SURROUNDINGS: residential

M:21-113

DESCRIPTION: 105 and 107 James Street are two identical early style vernacular buildings. Unusual style chimney in both. 6/6 windows on second level of 107 indicate earlier building date than 1900. First level windows have been changed to 1/1. There is a shed-roofed addition in the rear. These two buildings are strongly related to each other and appear to be the earliest structures in the area.
