DESCRIPTION: Original house with two additions. Original shutters on windows with hooks. Spouting and cornice and brackets differ from original part and the additions. Also window frames are different. Front elevation has a demilune window in gable. Front door area was possible a porch area that has been enclosed. On the left elevation, there is a screened-in porch which leads into the kitchen. There is a one-storey bay window on the right elevation of the house. The rear addition has a flat roof, new outside chimney, new basement steps and entranceway.
