Prepare both a summary paragraph of significance and a general statement of history and support.

The Griffith/Hawkins farm house is significant as an example of vernacular architecture typical of that constructed in Montgomery County from the mid-nineteenth through the early twentieth centuries. The original story and a half frame section (what is now the back) is believed to have been built by Randolph Hawkins about 1887.¹ Randolph, a local farmer, built the house on 118½ acres of land tracts referred to as "Thomas' Delight", "Griffith's Chance", etc., land he purchased from Charles Tabler in 1883.² Tabler had purchased the land at an equity sale in 1878. It was the property of Horatio Griffith and had been in the Griffith family for many years.³

In March of 1889 Randolph conveyed the farm to George W. Hawkins for \$1000.⁴ In February of 1905 George added to the farm 14 acres purchased from John Gray.⁵ Then in 1906 he added another 5 acres that he purchased from James Clagett (who had bought it from Randolph Hawkins).⁶ George added what is now the main block of the house in about 1911.⁷ In October of 1924 George conveyed the farm to his daughter Edith E. Wachter and his sons William W. and Chester B. Hawkins.⁸ They in turn sold it in January of 1941 to the present owner, David T. Cavanaugh.⁹

APPENDIX A

SITES NOT RECOMMENDED FOR REGULATION UNDER THE
HISTORIC PRESERVATION ORDINANCE CHAPTER 24A OF THE
MONTGOMERY COUNTY CODE

The following sites have been reviewed by the Montgomery County Historic Preservation Commission and were found not to merit designation of the Master Plan for Historic Preservation. If not included in the Master Plan, these resources may be removed from the Locational Atlas and Index of Historic Sites in Montgomery County. If removed from the Locational Atlas, the sites will no longer be governed by the Moratorium on Alteration and Demolition, Section 24A-10 of the County's Historic Preservation Ordinance. The sites will, however, remain on the Maryland Historical Trust's Inventory.

The following sites were found by the Preservation Commission to be too greatly altered from the period of their architectural or historical significance or not to meet Ordinance criteria for designation.
