The property known as the Sligo Hills Apartments, ⁹⁰⁰⁰~~8902~~ Manchester Road, Silver Spring, MD is not located within the boundaries of an historic district and does not meet the criteria for individual listing on the National Register.

This three story brick veneered garden apartment complex is typical of many post war apartment blocks built in Montgomery County in the post World War II era. The structure is International Style in severity with faint Georgian detailing exhibited at the main entrance door surround and in the flattened pediment marking the 3 bay central block. Symmetrical 3 bay blocks to either side of the central bay are flat roofed.

The complex is representative of post World War II-era multi-family housing and lacks the architectural distinction necessary to qualify it for listing on the National Register under Criterion C. Based upon the information provided, the property is not associated with persons or events significant to our past, and thus does not qualify under Criteria A or B.
