Justification for decision: (Use continuation sheet if necessary and attach map)

The property known as the Tanglewood Apts., 8902 Manchester Road, Silver Spring, MD is not located within the boundaries of an historic district and does not meet the criteria for individual listing on the National Register.

Sited on a sloping site, the Flat roofed, three story brick veneered garden apartment complex is typical of many post war International Style apartment blocks built in Montgomery County in the post World War II era. Detailing is limited to stone sills and lintels at the windows, a stone string course at the cornice line, and stone surrounds at main entrances.

The complex is representative of post World War II-era multi-family housing and lacks the architectural distinction necessary to qualify it for listing on the National Register under Criterion C. Based upon the information provided, the property is not associated with persons or events significant to our past, and thus does not qualify under Criteria A or B.
