Exception G

It is an undistinguished example of a common building type
or architectural style

Its integrity is compromised by alterations or deterioration

Its historic setting has been compromised by development

Other (explain): _____

Description:

The Warren Hoover Property is a 1½-story, 4-bay side-gable cottage on the southwest side of Wootens Lane in Burtonsville, Montgomery County. Constructed circa 1945, the cottage has enclosed entry porches on the north and south sides.

The structure has an asphalt shingle, side-gable roof with two dormers. There is an exterior brick chimney at the west facade. It is of concrete masonry construction with brick veneer and it has a concrete masonry foundation. The windows are double-hung, wood sash. The cottage has an enclosed entry porch on the north elevation. The porch has a front gable, asphalt shingle roof and has brick steps.

There is one outbuilding associated with this property. The outbuilding is a garage with a dual pitch gable roof, covered with asphalt shingles. Constructed circa 1945, it is of brick veneer and concrete masonry construction. The structure is located southwest of the house.

The property is located on the south side of Wootens Lane with residential property to the north, south, east, and west. There are several mature trees on the property. The site is level. The property's setting is suburban, with recent residential development to the east and south.
