C&P Telephone Company Building
6925 Wisconsin Avenue (MD 355)
Bethesda

1928; 1940

The C&P Telephone Company Building was built in 1928, during a period when the largely undeveloped commercial district included a mix of both commercial and residential structures. The C&P Building was constructed of native stone. Its architectural design is classically influenced. It was originally a two-story structure with a hipped roof and a rear extension. Then, in 1940, a substantial addition conforming to the style of the original structure was built. This included the addition of two stories, one of which was incorporated into the new mansard roof. At the time of its construction, this building was undoubtedly a real contribution to the growth of the commercial area.

The Montgomery County Historic Preservation Commission has reviewed the architectural and historic significance of the Bethesda CBD according to criteria listed in the Historic Preservation Ordinance, Chapter 24A of the Montgomery County Code.

The Preservation Commission recommends that the properties listed above be designated on the Master Plan for Historic Preservation as a "multiple resource/thematic" historic district with the individual buildings to be protected under the Historic Preservation Ordinance which provides certain controls regarding alteration, demolition, and maintenance of the property.

If not included in the Master Plan for Historic Preservation, these individual properties and the district, as currently delineated in the Locational Atlas, would no longer be subject to the provision of Chapter 24A-10, the Moratorium on Alteration and Demolition. The district will, however, remain on the Maryland Historical Trust's Inventory.

The Preliminary Draft Amendment is available for public inspection at The Maryland-National Capital Park and Planning Commission's Regional Headquarters, 8787 Georgia Avenue, Silver Spring, Maryland.

The purpose of the public hearing is to allow all interested persons to express their views concerning this action. Persons wishing to testify should call 495-4600. If you are unable to attend, write your concerns to the Montgomery County Planning Board at 8787 Georgia Avenue, Silver Spring, Maryland 20907 and they will be made part of the public hearing record.
