The cottage is currently unoccupied.

The structure has an asphalt shingle, side-gable roof with an interior brick chimney near the center of the cottage. It is of wood-frame construction with vinyl siding, and it has a concrete foundation. The windows are 6/1 double-hung wood; the bay windows have one 16-light window and 4/4 double-hung windows. The front entry is a centrally located wood door with 2-lights. The side porch has a concrete block foundation, wood floor, and iron railings which support the wood balcony floor above. The porch is accessed by a sliding glass door on the first story, and the balcony has one wood door in the gable end.

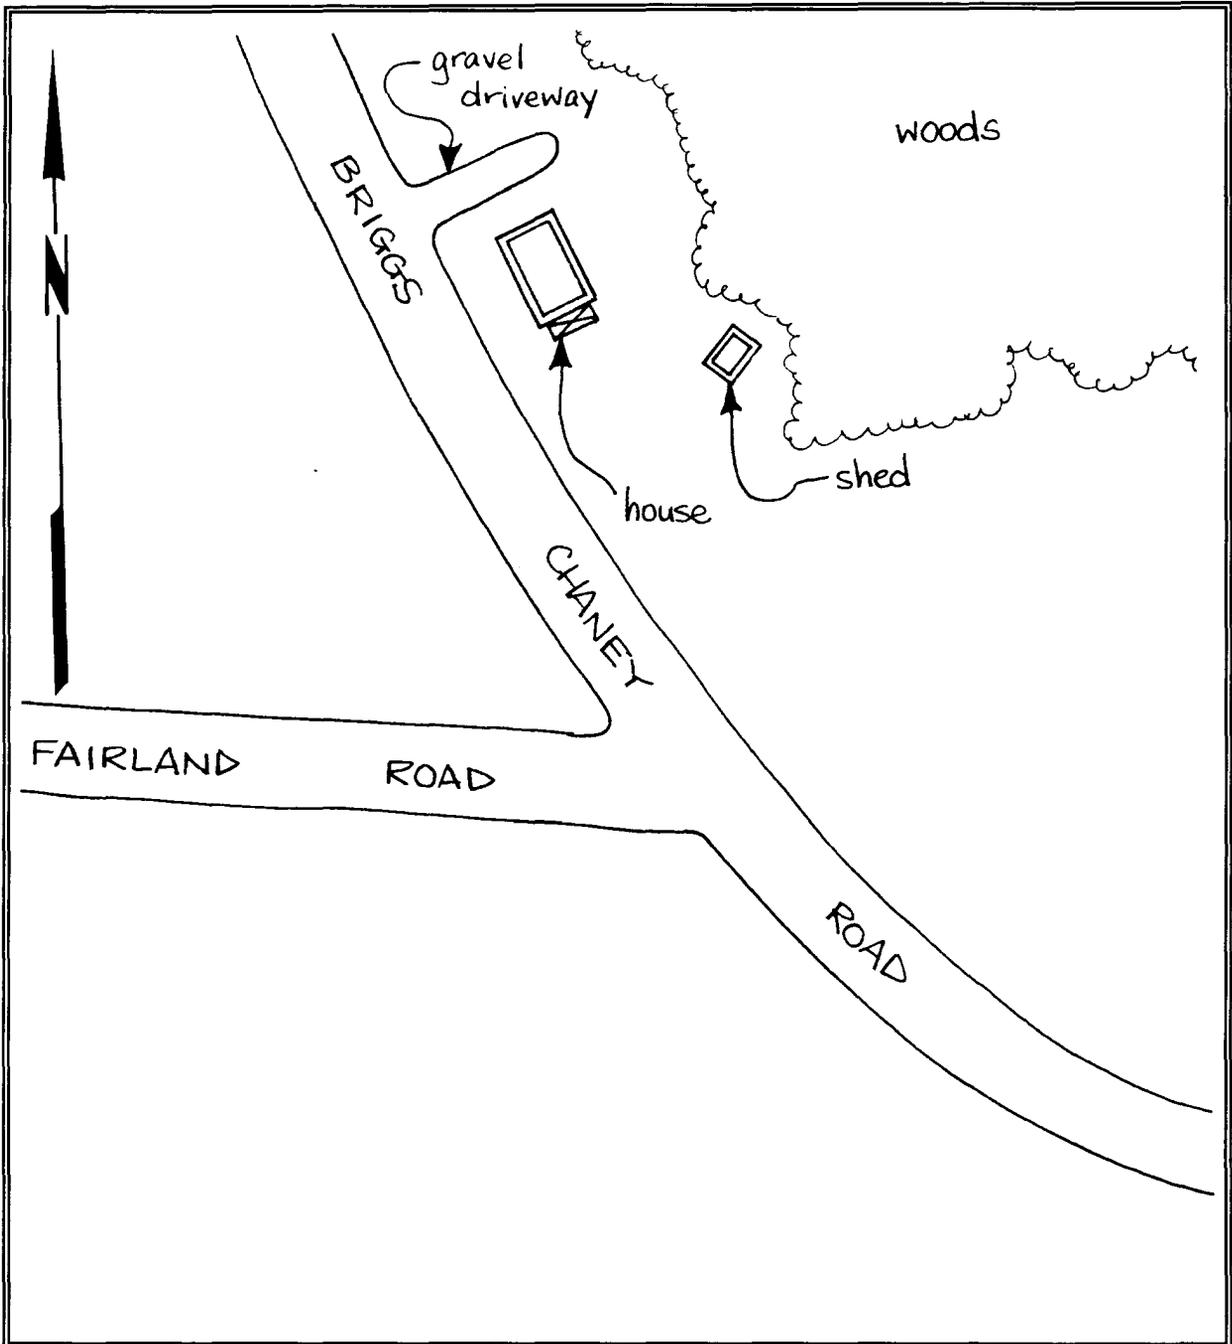

There is one outbuilding associated with the property, an asphalt shingle, side-gable shed. Constructed circa 1985, it is of wood frame construction and it is accessed by a sliding glass door. The shed is located northeast of the cottage.

The property is located on the north side of Briggs Chaney Road, with residences to the east and woods to the north and west.
