

PRINCE GEORGE'S COUNTY
HISTORIC SITE SUMMARY SHEET

Survey #: P.G. #68-58 Building Date: c. 1940

Building Name: Bass Liquors/Toby's Carry-Out

Location: 3204-3206-3208 Rhode Island Avenue, Mt. Rainier, Maryland

Private/Commercial/Occupied/Fair/Restricted

Description

3204-06-08 Rhode Island Avenue is a one-story commercial building with a rectangular plan and a shed roof. The building is constructed of cinder blocks and the main (south) facade is stuccoed. The building contains two storefronts of unequal size. The smaller (west) storefront has a plan horizontal parapet and the east storefront has a stepped parapet; both are united by a wood or metal coping. Each storefront has a double glass and metal door entry flanked by projecting plate glass display windows with rectangular plans set on brick bases. At the western edge of the larger storefront is a single glass and metal entry door. The projecting window of the east storefront have been obscured by wooden paneling. The projecting show windows are united by a plain cornice supporting non-historic signage. The east storefront appears to be a later addition. The show windows appear to be modern and the facade's only decorative detail is found in the profile of the stepped parapet. The building exterior has been modernized and painted. To the west of the storefront is an asphalt covered parking lot.

Significance

The commercial building at 3204-3206-3208 Rhode Island Avenue (Block 5, Lots 6, 7 and 8, Roger's Second Addition to Mt. Rainier) contributes to the character of the survey area as a late example of the type of small scale storefronts built in Mt. Rainier downtown before World War II. The modest building relies on its stepped parapet and show windows for visual interest. The building's architectural contribution to the survey area is marginal as much of the main (south) facade has been modernized or obscured. The nature and extent of underlying historic fabric is unknown but the scale and relationship to the streetscape have been maintained. Fire insurance maps indicate that the east storefront was built on Lot 7 by 1939. At that time Lot 8 was unimproved and Lot 9 contained what appeared to be an early 20th century two-story frame dwelling with a facade-wide front porch. Beginning in 1942 and for more than forty years, the larger of the east storefronts was occupied by Bass' Restaurant, a family oriented establishment that became something of a Mt. Rainier institution. Since 1980 the restaurant has operated as Toby's Carryout. The smaller of the two storefronts (Bass' Liquors) was built as a cinder block addition to the earlier building on part of Lot 8 by 1954. By that year, the dwelling on Lot 9 (the current parking lot) was no longer standing.
