Description of Property and Eligibility Determination *(Use continuation sheet if necessary and attach map and photo)*

The resource is a Minimal Traditional (originally a Cape Cod form) single family dwelling typical of the millions houses constructed nationally between 1930 and 1955. The exact date of construction is not known. The walls are constructed of brick or concrete block and are clad with simulated stone. A full second story has been added through the use of two-bay shed-roof wall dormers on the front and rear roof slopes. The side gable roof is clad with asphalt shingles. A two room added has been made to the east elevation of the house.

The property is not known to be associated with events that have made a significant contribution to the broad patterns of local, state, or national history (Criterion A). The property is not known to be associated with the lives of persons significant in the local, state, or national past (Criterion B). The property does not embody the distinctive characteristics of a type, period, or method of construction; represent the work of a master; or possess high artistic values (Criterion C). Finally, the property is not likely to yield information important in local, state, or nation prehistory or history (Criterion D).
