Criteria:  A  B  C  D Considerations:  A  B  C  D  E  F  G  None

Justification for decision: (Use continuation sheet if necessary and attach map)

The Air Force's consultant determined these buildings ineligible based on age and/or integrity. The World War II buildings have been significantly altered and do not form any cohesive architectural identity. The Trust concurred that all of these buildings were not eligible.

Documentation on the property/district is presented in: with this MHIP form and Andrews Air Force Base compliance file

## Capsule Summary

Inventory No. PG: 77-26  
Property Name: Vehicle Maintenance Shop #03354  
Location: Andrews Air Force Base  
Ownership: Public/Military  
Date of Construction: ca. 1944

Building #03354 is a one-story tall, concrete block vehicle maintenance facility located on the east side of the base, adjacent to Pennsylvania Avenue. The structure has six vehicle entrance bays on one side, and three exit bays on the opposite wall. In addition, there is office space at one end. The roof of the building is at two levels, with the lower sloped portion running the length of the building and draining to the edge. The roof on the center of the structure is approximately 3' higher than the adjacent lower sections. Windows in the building are steel industrial style, and appear to be original. With the exception of one tree, there are no landscape plantings around the building.

Building #03354 was constructed as a maintenance facility for use with standard size vehicles, such as cars and small trucks. Over the years of use the building has been upgraded with a new roof, new entrance, and new garage doors. It is an exposed concrete block building with no distinctive architectural or functional character. The building is located within a complex of utility buildings of equal character. The integrity of the structure has been damaged through changes in the building entrances, roof, and doors.
