Justification for decision: (Use continuation sheet if necessary and attach map)

The Air Force's consultant determined these buildings ineligible based on age and/or integrity. The World War II buildings have been significantly altered and do not form any cohesive architectural identity. The Trust concurred that all of these buildings were not eligible.

Documentation on the property/district is presented in: with this MHIP form and Andrews Air Force Base compliance file

## **Capsule Summary**

Inventory No. PG: 77-33  
Property Name: Base Maintenance Shop #03459  
Location: Andrews Air Force Base  
Ownership: Public/Military  
Date of Construction: ca. 1943

Building #03459 is a short one story maintenance facility configured as a T with two legs. The building has been changed numerous times over its period of use. The original concrete block construction has, for the most part, been covered with aluminum siding in the late 1950's and early 1960's. The original windows in the building have been blocked up and new windows installed. In addition, the building roof has been replaced, and the entire site surrounding the structure has been paved.

The integrity of Building #03459 has been damaged significantly through numerous changes that have taken place since its construction. The original steel industrial windows have been replaced with double-hung wood windows through out the building. The entire building has been covered with aluminum siding, and its roofing materials have been changed. In addition, the integrity of design, use, and setting of the structure has been significantly damaged.
