Project: 110 Survey of Andrews Airforce Base Agency: F/AF

Site visit by MHT Staff: no yes Name _____ Date _____

Eligibility recommended Eligibility not recommended

Criteria: A B C D Considerations: A B C D E F G None

Justification for decision: (Use continuation sheet if necessary and attach map)

The Air Force's consultant determined these buildings ineligible based on age and/or integrity. The World War II buildings have been significantly altered and do not form any cohesive architectural identity. The Trust concurred that all of these buildings were not eligible.

Documentation on the property/district is presented in: with this MHIP form and Andrews Air Force Base compliance file

Capsule Summary

Inventory No. PG: 77-48
Property Name: Farm Housing #04252
Location: Andrews Air Force Base
Ownership: Public/Military
Date of Construction: ca. 1925

Building #04252 is a one-story tall, wood-frame residential structure located on the west side of the base. It is a three-bay wide square house, with smaller additions on each side and the rear of the main building. The main entrance to the house is centered in the front, through a door set flush with the building front. Windows in the building are one-over-one, double-hung aluminum sash. The roof is high-pitched gable, covered with asphalt shingles. The main house has one roof dormer on the front. The entire building is covered with aluminum siding. The plan of the building has been changed to accommodate additional living space, bedrooms, and toilets. Landscape plantings surround the building, including bushes and mature trees.

This family housing quarters is a structure that pre-dated construction of the base. Modifications to both the interior and exterior of the structure since that time has significantly changed its architectural character. The basic house is frame construction with a concrete block base. The original porch across the front of the house has been enclosed, small additions have been added to each side, and a new kitchen constructed on the rear. The entire structure has been covered with aluminum siding. All of the original windows and doors have been replaced, as have the roof and entry steps.
