Criteria: A B C D Considerations: A B C D E F G None

Justification for decision: (Use continuation sheet if necessary and attach map)

The dwelling at 23188 Edelan Webster Road and located in Deal Island, Somerset County, MD is not located in an historic district nor is it considered eligible for individual listing on the National Register of Historic Places.

The dwelling is a mid-to late 19th-century, 2-1/2-story, three-bay frame building with a central-passage plan. The house is set upon a rock-faced concrete block foundation and is covered with a gable roof with a projecting front gable located above the central entrance bay. The facade is symmetrically fenestrated with 2/2 windows and a central entry with a three-light transom.

The building is a representative example of the mid-to late 19th-century domestic building of rural Maryland, and although it stands in good condition and retains its overall integrity, the dwelling lacks the architectural distinctiveness necessary to qualify it for listing on the National Register of Historic Places under Criterion C.

The property is not known to have any associations with persons or events significant to our past and does not qualify for listing under Criteria A or B.

Documentation on the property/district is presented in: Project Review and Compliance
