

S M -115 ENFIELD
Avenue
Private

late 18th ~~century~~ or
early 19th century

The 1 1/2-story west wing of this two-part frame house is the earliest part and possibly dates from the second half of the 18th century. Most of the interior and exterior has been altered as the result of numerous late 19th and early 20th century renovations. The two exterior chimneys with one-story connecting pent have been rebuilt from just below the tapered weatherings to the chimney caps. One interesting feature retained in the attic is the use of lapped riven boards as a flooring material. The larger two-story east wing was built circa 1880-1910.
