Beauvue Road (MD 244)

Beauvue

Piney Point Quad

mid-19th century

This two-story frame house dates from the second quarter of the 19th century. Covered with modern "German siding," it has two chimney stacks on the east gable. On the interior is a side passage, double parlor plan with woodwork of the 1830's-1840's period. A lower two-story wing on the east gable is old but much altered. The house is in very poor condition.
