

HANCOCK, WASHINGTON COUNTY, MARYLAND

Survey # WA-HAN-020, B24 Approximate date Ca. 1900
Street Address 142 East Main Street
Town, State Hancock, Maryland
private X, public

Description

This is a two story frame house with a gable roof covered with corrugated steel. It is a five bay structure with one over one window pane units. Across the front is a porch with the original balustrade and posts. The house has wood siding and is sitting on a rubble stone foundation. There appears to be a side storefront attached to the structure. It reflects Hancock's building boom of the early 20th century.
