

HANCOCK, WASHINGTON COUNTY, MARYLAND

Survey # WA-HAN-022, B26 Approximate date Ca. 1900
Street Address 136 East Main Street
Town, State Hancock, Maryland
private X, public

Description

This is a small one-and-a-half story, three bay frame house with a gable roof covered with a standing seam metal roof. Across the front is a shed roofed porch that has been altered. The house has the original beveled siding and is sitting on a rubble stone foundation. It is typical of the modest turn-of-the-century buildings dating from Hancock's residential boom period.
