private , public

Approximate date C. 1850?

Description:

This small house is a one story, three bay frame or log house covered with aluminum siding. An early 20th century hip roofed porch extends across the front. Windows have two over two pane sash with arched upper panes. The entrance is in the center bay.

A house appears to be near this site on the 1877 Atlas for Funkstown. It belong to I. Peters. The row of houses along West Side Avenue may be associated with the industrial area behind and to the north of them along the creek.
