Description:

This one story, three bay frame or log house looks like the 1940s "Cape Cod" houses located adjacent to it. It is, however, an older building as indicated by the exterior materials used. It is covered with German siding. Windows have two over two pane architraves with pointed tops. The main entrance is in the center bay of the front elevation.

According to the 1877 Atlas Map, a house was on this lot and was owned by D. Iseminger.
