Description:

Located on the south side of Green Street is this two story, three bay frame house, covered with German siding. There is a shed-roofed extension to the rear. Windows have two over two pane sash. The main entrance is located in the central bay of the front elevation. There is no window in the central second story bay. A shed roofed porch crosses the front.

The house appears to date from ca. 1900 and the later development of this section of Funkstown.
