

Survey # WA-I-689
Street Address 36 Frederick Road
Town, State Funkstown, Maryland 21734
private , public

Approximate date C. 1935

Description:

This commercial structure along the National Road probably dates from the 1930s. It is a three bay stone structure, one story high with a flat roof with a stone stepped front parapet. The entrance is in the central area with large plate glass display windows on either side. The building could have functioned as a restaurant or road house during the days when the National Pike was busy with automobile traffic.
