Description of Property and Eligibility Determination: *(Use continuation sheet if necessary and attach map and photo)*

No. 301 S. Main Street is a one-story, four-bay-wide, side-gabled, frame house with Permastone veneer. The building has an interior chimney and asphalt shingle roof. This house is a late-nineteenth century house with extensive twentieth-century alterations. The building may date to ca. 1880, with 1950s-1970s alterations. Due to a loss of architectural integrity, it is a non-contributing resource to the Town of Boonsboro Historic District.
