DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

This house is a two story, five bay L-shaped structure possibly of brick construction and apparently covered with stucco of a yellowish buff color. Like several houses in the Hagerstown-Keedysville-Sharpsburg area it has a gable-hip roof combination with the roof being mitered at the jointure between the front and back sections.

The house would appear to date from the mid 19th century. A frame bank barn is also present.
