DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

This brick building is a one story, three bay structure dating from the mid 19th century. Now a residence, it was formerly a church and has a datestone in its north gable below a semicircular fan window which reads "German Reformed Church, Founded August, 1850." Two entrances were located in the north end wall. They have been converted to windows but still retain diamond-paned transoms.

The north end wall displays Flemish bond brick work while other elevations show common bonding.

SPECIFIC DATES 1850

BUILDER/ARCHITECT

STATEMENT OF SIGNIFICANCE

This building in addition to reflecting local mid 19th century construction motifs is an example of a small country church. Usually of the Germanic religious sects, many churches like this one were built in Washington County during the second half of the 19th century.
