DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

The house on this farm is a two and one half story, four bay brick structure built with common bond brick work at all elevations. The house is built into a slope with a full story exposed at ground level at the front elevation. Windows are topped with wide wooden lintels and most have six over six pane sashes. The house would appear to date from the third quarter of the 19th century. A frame bank barn is located near the house.
