

SITE NUMBER: WA-II-522  
ADDRESS: 222 West Main Street, Sharpsburg, MD  
OWNER/LOT NUMBER/ACCESS: Jeffrey T. Wilson, 876/840, private  
BUILDING DATE: mid-late 19th century

222 West Main Street is a north-facing, horizontally massed, symmetrical, two-and-a-half-story, three-bay, frame, freestanding, residential structure set directly at the public-right-of-way. The building has been covered with manufactured siding, except for the first floor of the front facade which has been faced with brick. The side-gable roof is sheathed with standing-seam metal and has an interior, endwall brick chimney. The center-bay entrance is protected by a hipped-roof, open porch that runs the length of the building and is supported by modern iron railing. The interior door is a paneled one with a glazed fanlight in the upper portion of the door. Windows are double-hung, one-over-one sash and have shutters.

A building of the same configuration is noted on the 1877 map of the town as being owned by D. Knode. The 1922 Sanborn notes the extant dwelling as 118 West Main and indicates two outbuildings at the rear of the lot.

The building is within the Western Maryland Geographic Organization, the Development Period of Agricultural-Industrial Transition, and falls within the Historic Period Theme of Architecture, Landscape Architecture and Community Planning.
