

SITE NUMBER: WA-II-528
ADDRESS: 204 West Main Street, Sharpsburg, MD
OWNER/LOT NUMBER/ACCESS: Willis C. Baker, 308-527, private
BUILDING DATE: mid-late 19th century

204 West Main Street is a north-facing, horizontally massed, symmetrical, one-and-a-half-story, three-bay, brick, attached, residential structure set directly at the public-right-of-way. Covered with permastone siding, the building rests slightly above grade. The side-gable roof is sheathed with standing-seam metal, has a cinderblock, exterior chimney, and two large gable-roof dormers. The center-bay entrance is protected by an aluminum awning that runs the length of the building and is supported by modern iron railing. The interior door is wood and has three small lights set in a staggered fashion popular in the late 1950s/early 1960s. Windows on the first floor are double-hung, three-over-one sash. The dormer windows are louvered.

A building of similar configuration is noted on the 1877 map of the town. The 1922 Sanborn notes the extant dwelling as a brick structure numbered 125 West Main and indicates a small outbuilding at the rear of the lot.

The building is within the Western Maryland Geographic Organization, the Development Period of Agricultural-Industrial Transition, and falls within the Historic Period Theme of Architecture, Landscape Architecture and Community Planning.
