

SITE NUMBER: WA-II-529  
ADDRESS: 202 West Main Street, Sharpsburg, MD  
OWNER/LOT NUMBER/ACCESS: Willis C. Baker, 303-198, private  
BUILDING DATE: early 20th century

202 West Main Street is a north-facing, vertically massed, symmetrical, two-story, three-bay, frame, freestanding, residential structure resting on a stone foundation. It is set directly at the public-right-of-way and is sheathed with manufactured siding. The front gable roof is sheathed with standing-seam metal and has an exterior cinderblock chimney and open eaves. The center-bay entrance is protected by a shed-roof, open porch that runs the length of the building and is supported by modern iron railing. The interior door consists of glazed and raised paneling and is protected by a modern storm door. Windows are set in aluminum frames and are double-hung, one-over-one sash.

A building is noted on the 1877 map of the town at this site, but it is unclear if it is the same structure. The 1922 Sanborn notes the extant dwelling as 126 West Main and indicates a shed directly behind the house and an outbuilding at the rear of the lot.

The building is within the Western Maryland Geographic Organization, the possible Development Period of Industrial/Urban Dominance, and falls within the Historic Period Theme of Architecture, Landscape Architecture and Community Planning.
