ADDRESS: 132 East Main Street, Sharpsburg, MD

OWNER/LOT NUMBER/ACCESS: Ernest Wetterer, 849/428, private

BUILDING DATE: mid-19th century (pre-1862)

132 East Main Street is a north-facing, horizontally massed, symmetrical, two-and-a-half-story, five-bay, frame, L-shaped, freestanding, residential structure resting on a stone foundation. The building, which is set directly at the public-right-of-way, is sheathed with weatherboard siding. The side-gable roof is covered with artificial roll and has interior endwall brick chimneys at either end and open, overhanging eaves. The center-bay entrance has a two-light transom. A raised, hipped-roof, open porch supported by squared posts with a slat railing extends across the first floor facade. Fenestration, with the exception of a small window in the second floor center bay, is composed of single, rectangular, wooden sash, double-hung, two-over-two windows with shutters.

A commemorative plaque on the building indicates that the structure was standing at the time of the Battle of Antietam (1862). A building of the same configuration is noted on the 1877 map of the town as being owned by McGraw. The structure appears on the 1922 Sanborn as 416 East Main Street. The map also indicates two outbuildings at the rear of the property.

The building is within the Western Maryland Geographic Organization, the Development Period of Agricultural-Industrial Transition, and falls within the Historic Period Theme of Architecture, Landscape Architecture and Community Planning.
