

SITE NUMBER: WA-II-576

ADDRESS: 227 West Antietam Street, Sharpsburg, MD

OWNER/LOT NUMBER/ACCESS: Marshall E. Monroe, 386-486, private

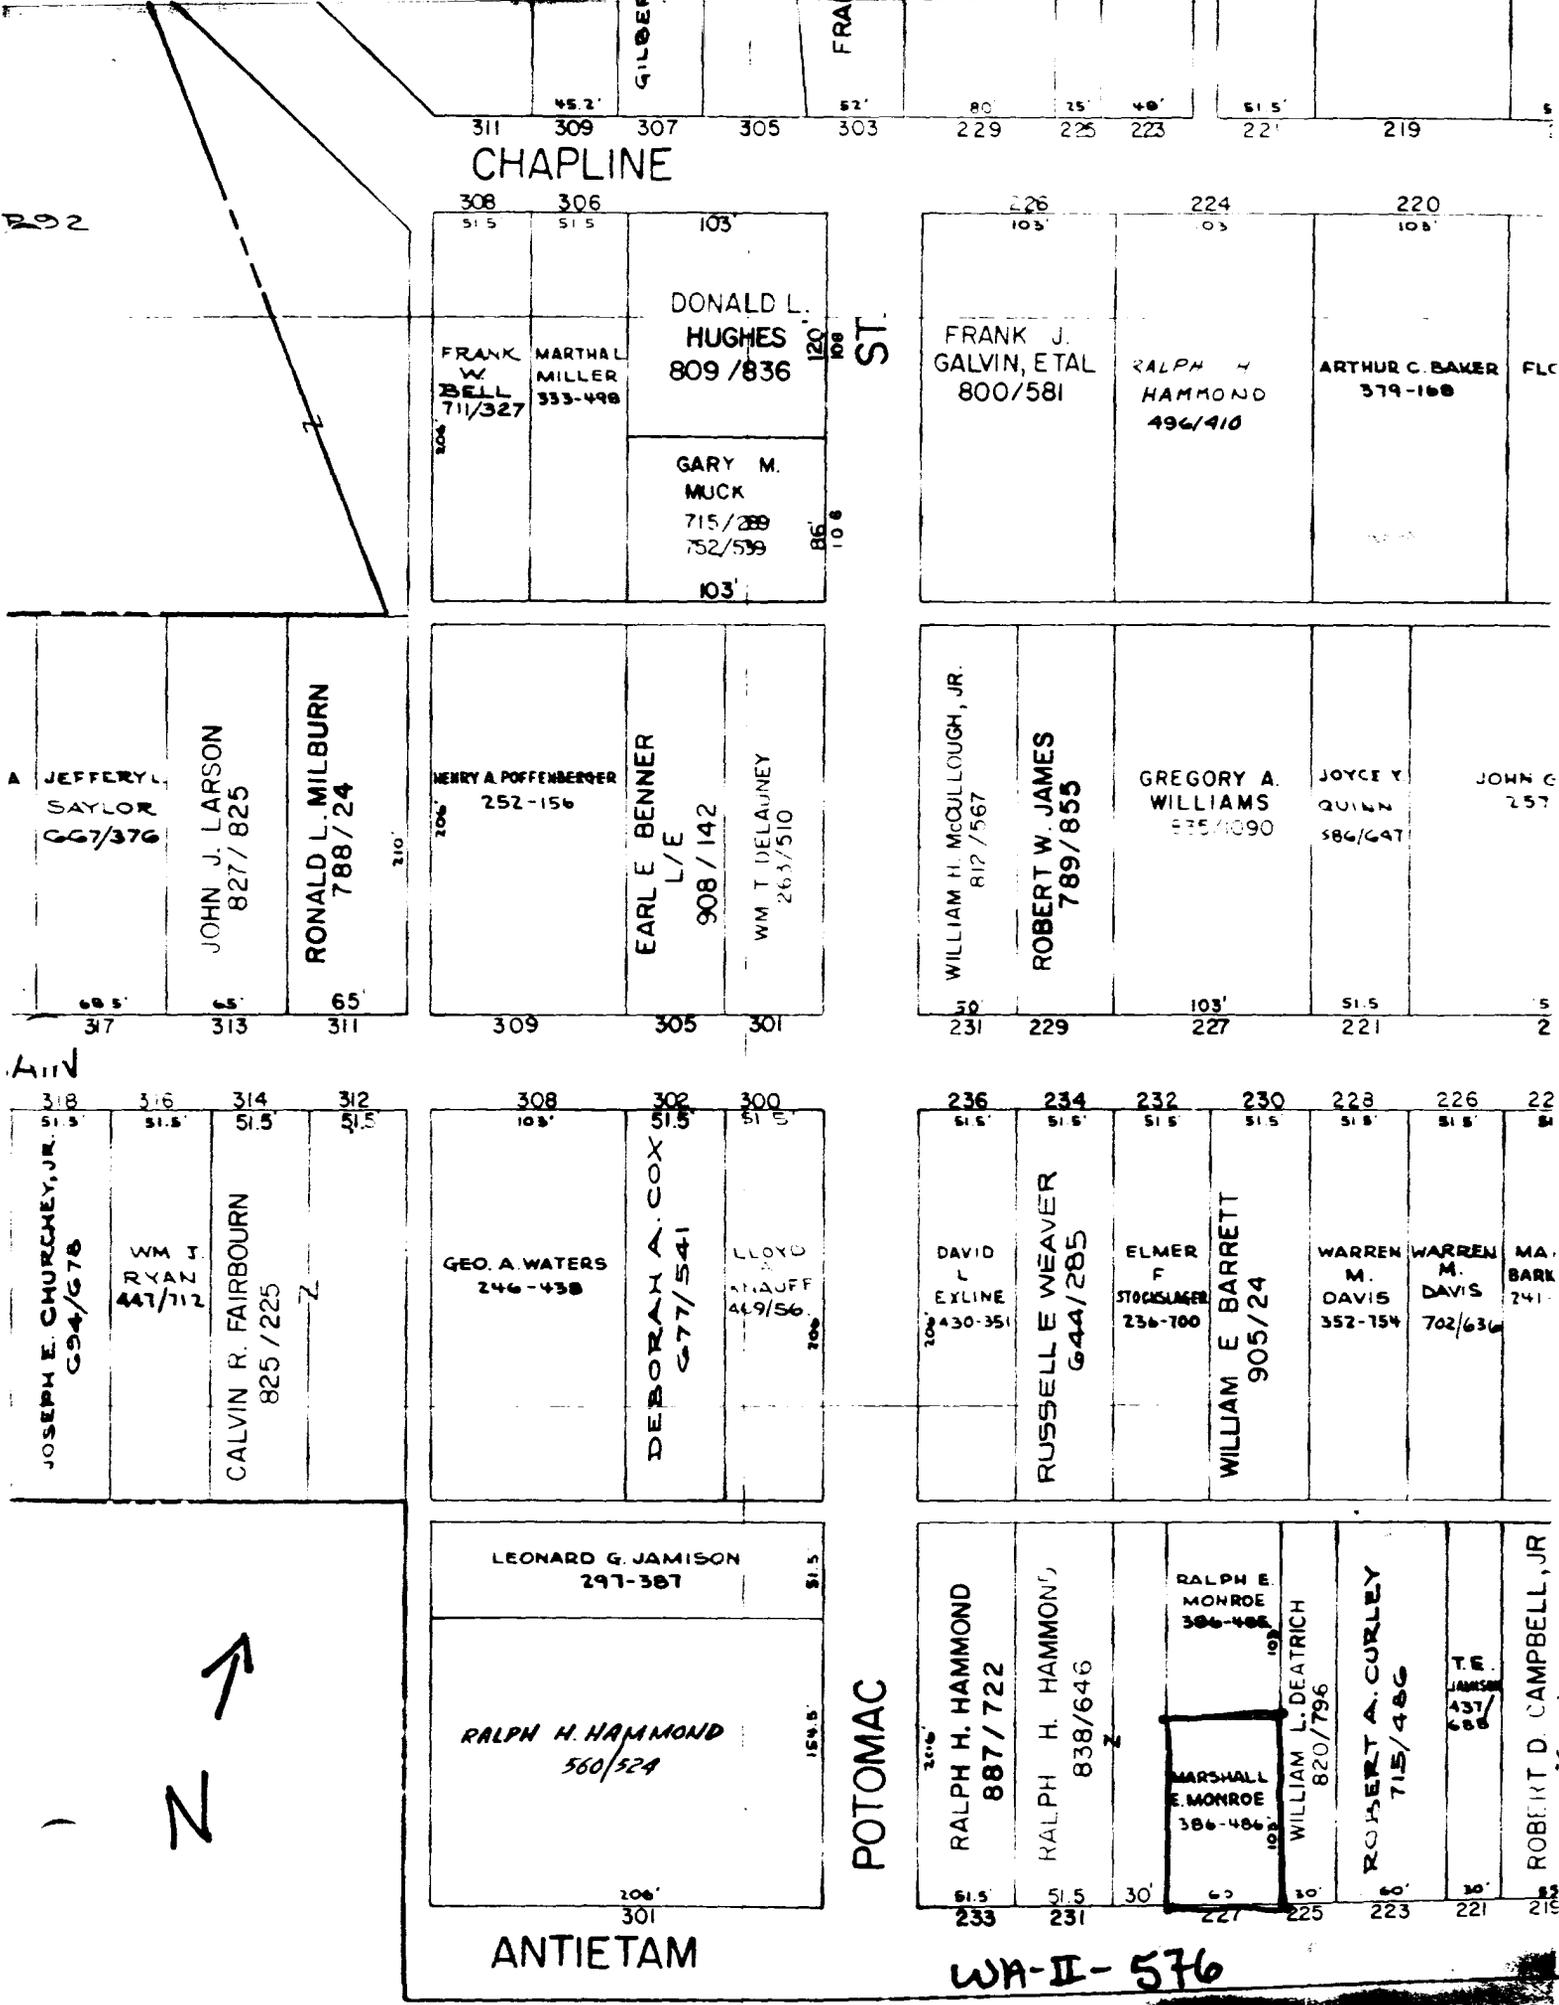

BUILDING DATE: late 19th century

227 West Antietam Street is a south-facing, horizontally massed, symmetrical, one-and-a-half-story, three-bay, frame (possibly log), freestanding, residential structure. Set directly at the public-right-of-way, it has been covered in manufactured siding. The side-gable, roof sheathed with standing-seam metal has open and overhanging eaves, and two interior, endwall brick chimneys. The entrance is located in the west bay and is protected by a hipped-roof, open porch that extends across the face of the building. The porch is supported by chamfered posts connected by a slat railing. Windows are set in wood frames, are double-hung, three-over-one sash.

The 1877 map of the town indicates the site of this building as being vacant at that time. The 1922 Sanborn notes the structure as 103 West Antietam and indicates two small frame buildings at the rear of the lot.

The building is within the Western Maryland Geographic Organization, the Development Period of Industrial/Urban Dominance, and falls within the Historic Period Theme of Architecture, Landscape Architecture and Community Planning.
