

SITE NUMBER: WA-II-593

ADDRESS: 113-115 South Mechanic Street, Sharpsburg, MD

OWNER/LOT NUMBER/ACCESS: Gene H. McGraw, 564/639, private

BUILDING DATE: mid-late 19th century

113-115 South Mechanic Street is a west-facing, horizontally massed, symmetrical, two-and-a-half-story, five-bay, frame, freestanding, residential structure resting on a stone foundation. It has a one-story, frame addition to the south with an entrance numbered 113. The side-gable roof is covered with artificial shingles and has two interior, endwall brick chimneys, open eaves, and gable returns. The entrance is located in the center bay and consists of a glazed and panel door with a glazed transom above. The door and the window immediately to its right are protected by a hipped roof, open porch. All windows are double-hung, two-over-two lights in wood frames with crown molding and shutters. There are several outbuildings located on the property.

A building without additions is noted on the 1877 map of the town as being owned by Mrs. Moore. The extant structure is noted on the 1922 Sanborn as 318 South Mechanic.

The building is within the Western Maryland Geographic Organization, the possible Development Period of Agricultural-Industrial Transition, and falls within the Historic Period Themes of Architecture, Landscape Architecture and Community Planning.
