

SITE NUMBER: WA-II-605

ADDRESS: Southeast corner of North Mechanic and East Chapline
Streets, Sharpsburg, MD

OWNER/LOT NUMBER/ACCESS: David A. Gross. 260-407, private

BUILDING DATE: mid-late 19th century

This is a west-facing, symmetrical, two-and-a-half-story, three-bay, frame, freestanding, residential structure resting on a stone foundation. Sited directly at the public-right-of-way, the building has been covered with manufactured siding. The standing-seam metal, side-gable roof has an interior, endwall, brick chimney; overhanging and open eaves; and gable returns. The south-bay entrance consists of a single paneled door topped by a three-light transom. The first floor of the front facade is protected by a hipped-roof, open porch supported by three squared posts. Windows are set in wood frames and are double-hung, one-over-one sash with modern shutters. The building has a one-story wing and a detached outbuilding.

A building of the same configuration is noted on the 1877 map of the town as being owned by Schneider. The extant building is noted on the 1922 Sanborn as 208 North Mechanic. The map notes the one-story addition, a large outhouse immediately behind the house and a one-story shed along East Chapline Street.

The building is within the Western Maryland Geographic Organization, the Development Period of Agricultural-Industrial Transition, and falls within the Historic Period Theme of Architecture, Landscape Architecture and Community Planning.
